

FACE MASKS – CORONAVIRUS (COVID-19)

ABOUT OUR MASKS

We are now offering a selection of unique facial masks/coverings developed and designed by international design label, Stephan Caras. With over 30 years of experience in the field of high-end fashion and corporate career wear, we have created an exclusive selection of facial masks that have been engineered to achieve optimal performance and comfort. We have adapted our workrooms to provide facial masks made with the highest quality standards to ensure the longevity and wearability of each mask, while offering a fashionable collection of bold colours, rich textures, and detailing. With each purchase, a portion of the proceeds will be donated to the [Canadian Red Cross, Canadian Emergencies & COVID-19 Response Fund](#).

Please visit the “About Us” drop down under the “Face Mask” Tab for a full description on the benefits and quality of our face masks.

NON-MEDICAL MASKS

PLEASE NOTE: This is NOT a medical-grade mask and is not intended as a replacement for medical-grade personal protective equipment or other measures to stop the community spread of COVID-19, including social distancing, washing your hands and refraining from touching your face. This product makes no claims of antimicrobial protection, antiviral protection, particulate filtration or infection prevention or reduction. This product is not intended for use in a medical setting.

- Do **NOT** share with others
- Do **NOT** place on children under the age of 2 years old
- Do **NOT** place on anyone unable to remove them without assistance or anyone who has trouble breathing
- Do **NOT** place the mask over you face while exercising or while performing any strenuous physical activity

For more information and guidelines on Non-Medical Face Masks, please refer to the [Government of Canada’s website](#)

For guidance on the Coronavirus (COVID-19) disease, please visit the [World Health Organization website](#)

APPLICATION OF FACE MASKS

Ensure the face covering is clean and dry. Wash your hands with warm water and soap for at least 20 seconds before touching the mask. Place the face covering over your nose and mouth and secure to your head or ears with its ties or elastics. Ensure nose and mouth are fully covered without any gaps. This mask may include an interior pocket to accommodate a disposable filter, for increased benefit (e.g. paper towel, coffee filter). For more information and guidelines on Non-Medical Face Masks, please refer to the [Government of Canada's website](#).

REMOVAL OF FACE MASKS

Wash your hands with warm water and soap for at least 20 seconds. Remove the face covering by un-tying it. Avoid touching the front of the mask when removing it. Dispose of interior filter in filter pocket of applicable. Place mask in a plastic bag temporarily if you are not at home. Make sure you close or zip seal the bag while storing it. Wash your hands with warm water and soap for at least 20 seconds. For more information and guidelines on Non-Medical Face Masks, please refer to the [Government of Canada's website](#).

CARE AND WASHING

ALWAYS WASH AND DRY BEFORE WEARING IT AGAIN. Please follow specific care instructions included with each face mask.

RETURNS/REFUNDS/EXCHANGES

To ensure the highest degree of personal safety, all face masks and face coverings are NON-RETURNABLE/REFUNDABLE and are FINAL SALE. Please familiarize yourself with all the [terms of shipment](#) before you make your purchase of any face covering online.
